

THE STORY

Four rabbits named Ned, Nellie, Nancy and Norma decided to build sailboats and then have a race against each other. They built their boats and named them Hare I Am, Bugs Boat, Sea Bunny and Mayflower. The race was held and the rabbits finished in 1st place, 2nd place, 3rd place and 4th place. Based on the clues, match the rabbits with their boats, and their order of finish in the race.

1. Ned finished after Nellie and Norma but ahead of Nancy, and Norma finished the race in front of Nellie.
2. Ned and Nellie did not build either the Sea Bunny or the Mayflower.
3. The 2nd place boat was not Bugs Boat, and the Mayflower did not finish last.
