

THE STORY

Four monkeys named Elizabeth, Eliot, Erin and Edgar wore different colored hats. The hat colors were red, yellow, green and blue. The monkeys also wore vests that were red, yellow, green and blue. However, no monkey wore the same color hat and vest. The monkeys had different favorite fruits. These fruits were apples, pears, peaches and bananas. Aside from their real names, the monkeys all had nicknames as well. These nicknames were Cocoa, Boomer, Hairy and Stretch. Based on the clues, match the monkeys with their hat colors, their vest colors, their favorite fruits and their nicknames.
