

# Tangoes<sup>®</sup> Jr.

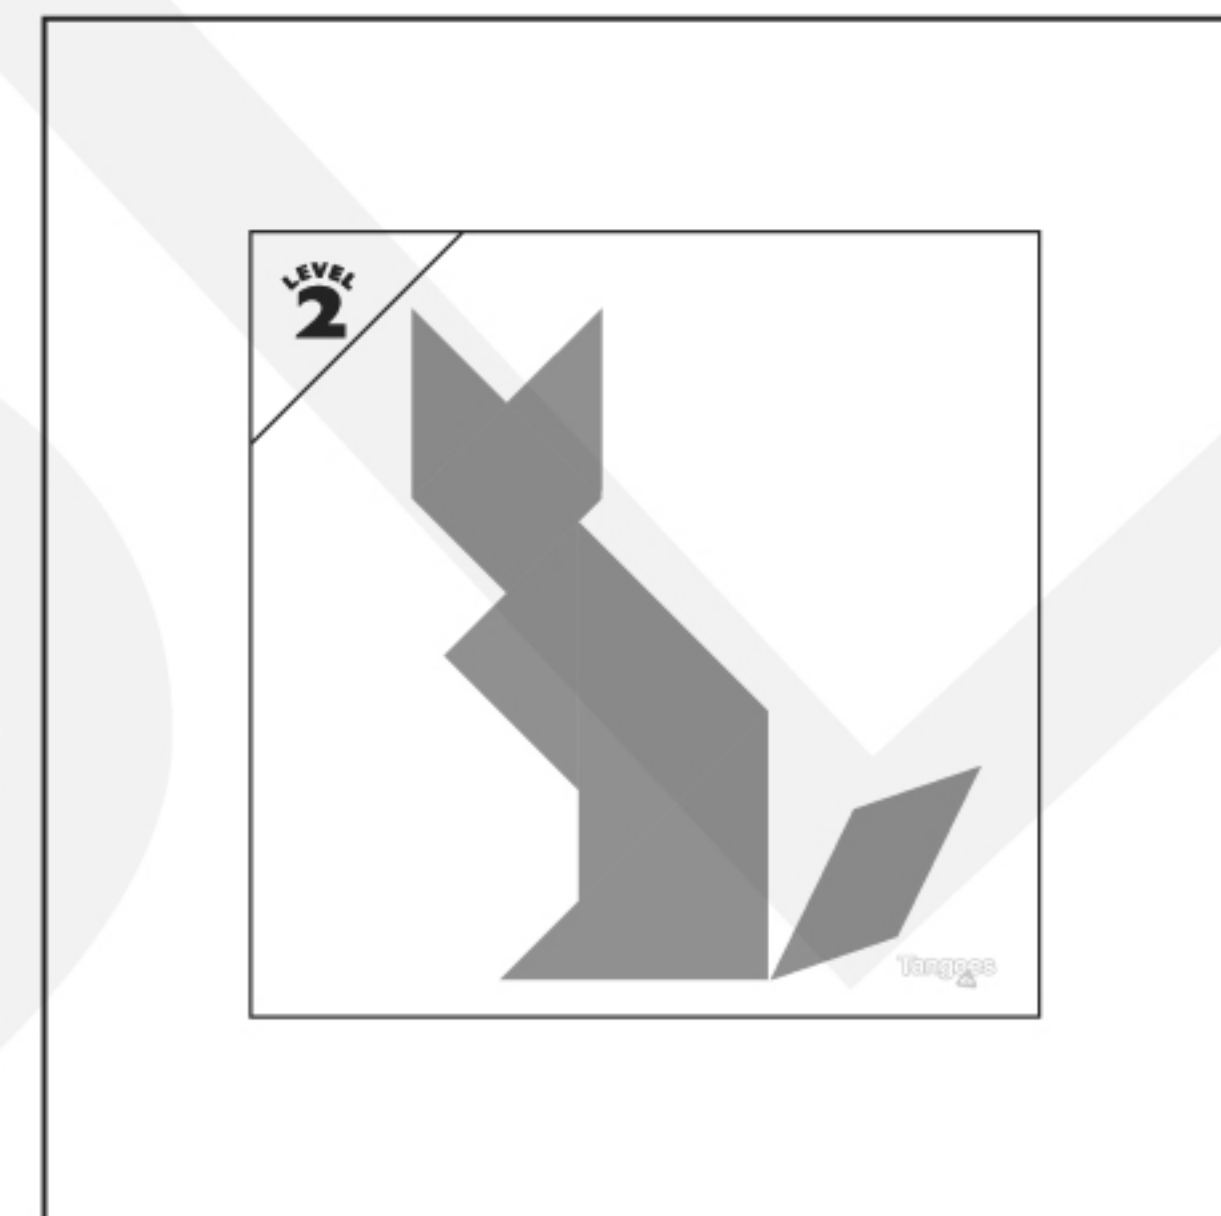

- 1 Open the lid and select a Tangoes Jr. puzzle card.

- 2 Each puzzle card is double sided for two levels of challenges.

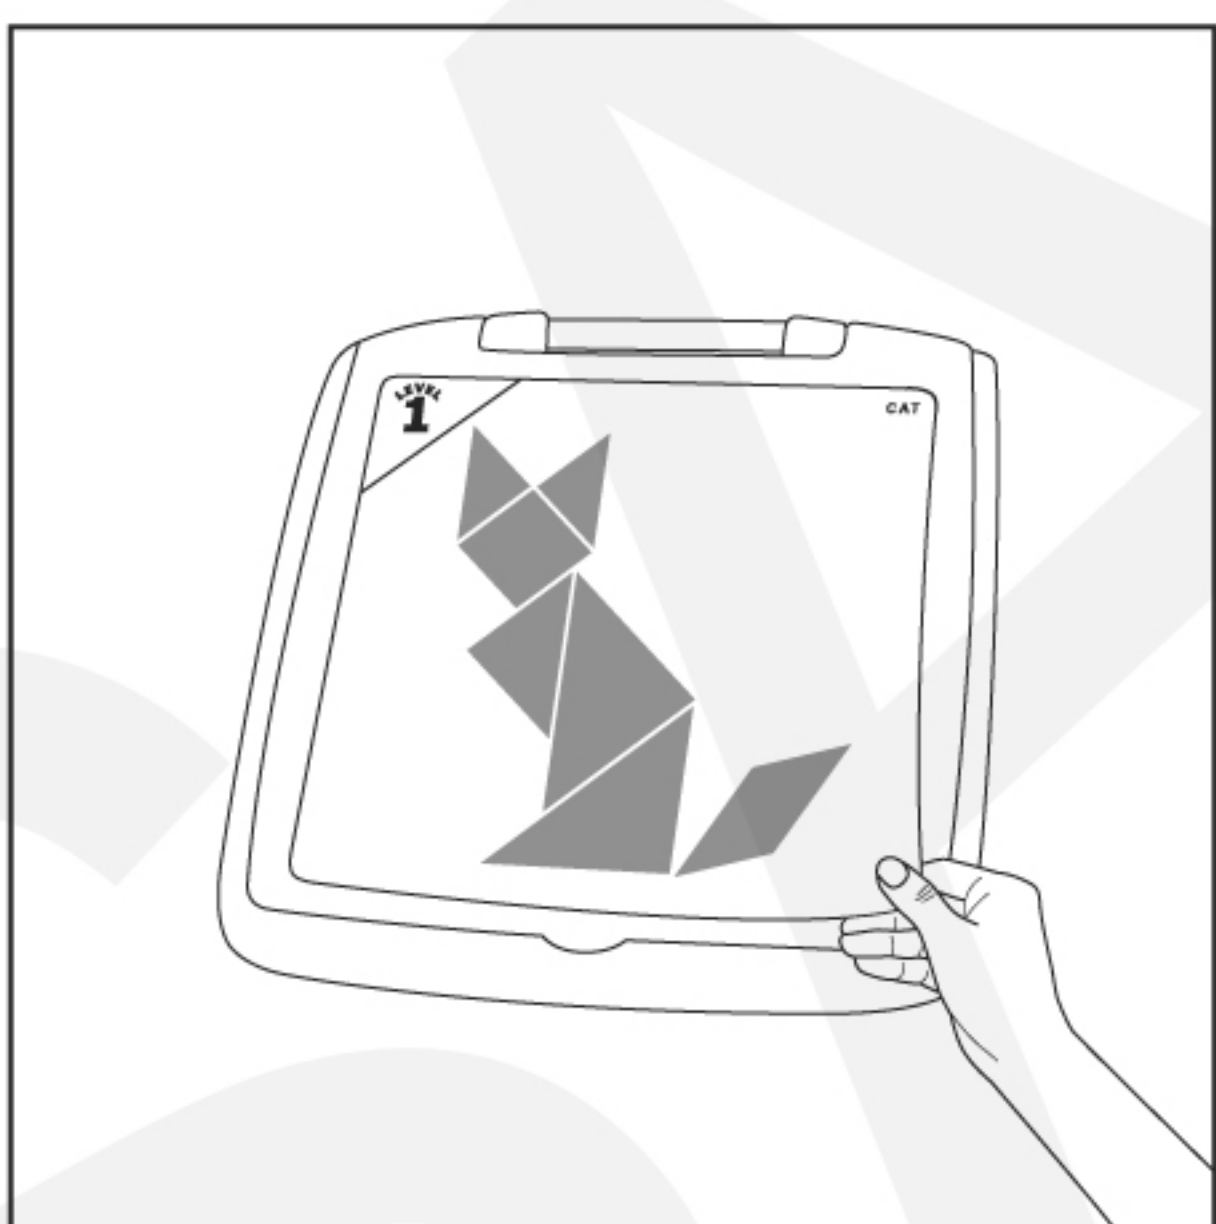

Level 1:  
Match the shapes to solve the puzzle.

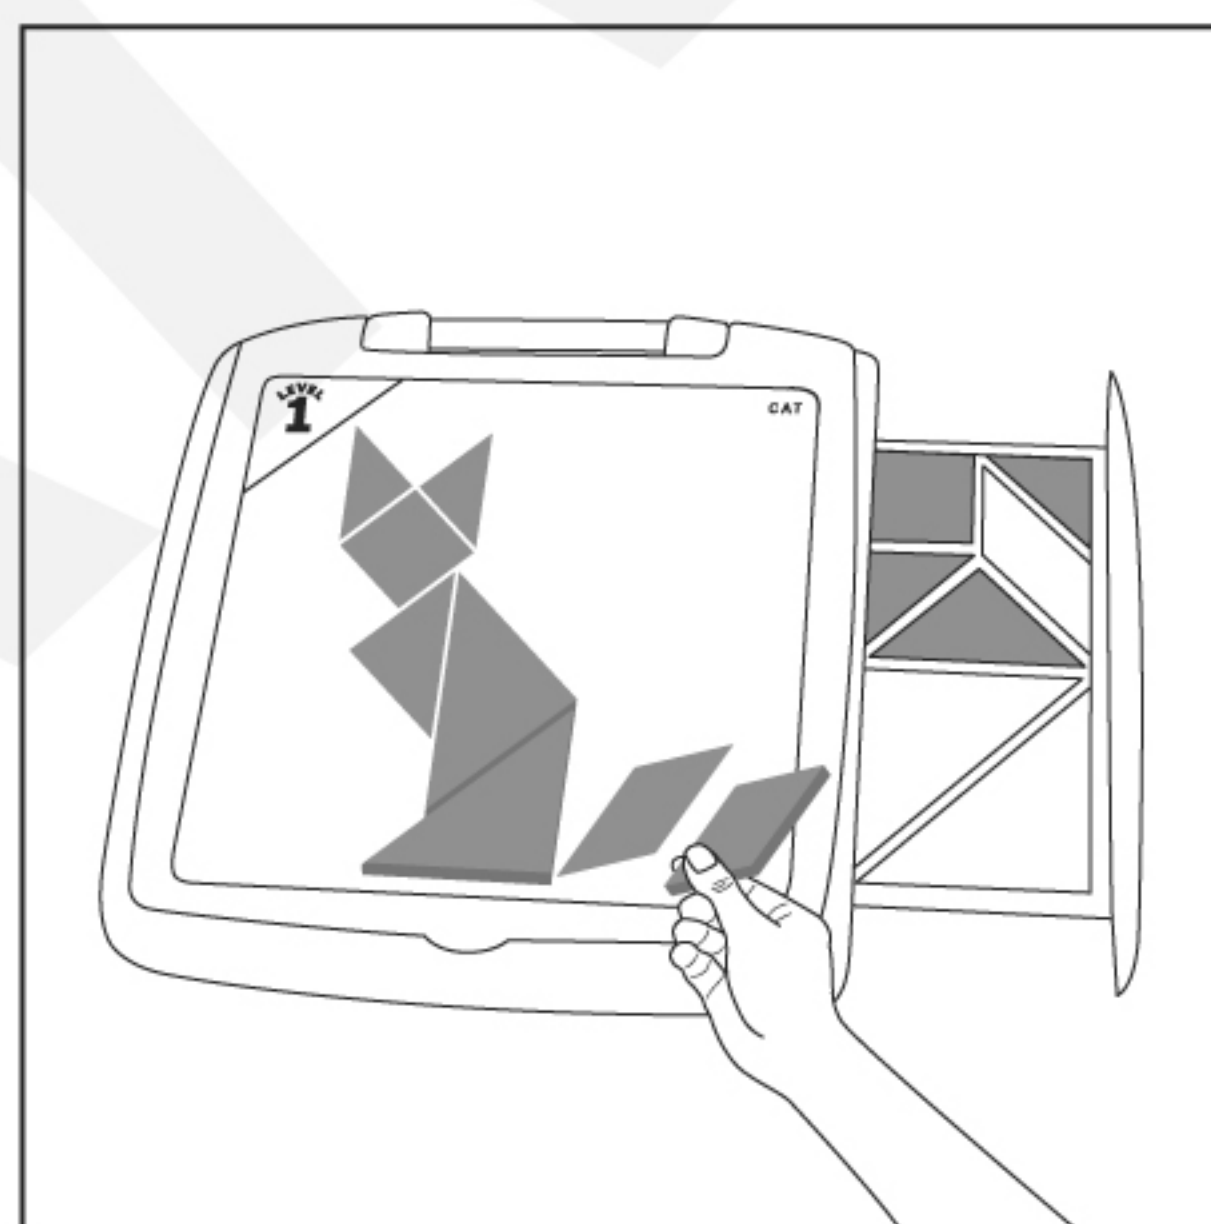

Level 2:  
Just the silhouette appears, making the puzzle a greater challenge!

- 3 Place the puzzle card face up on the playing surface.

- 4 Open the side drawer and place the puzzle pieces on top of the card. The puzzle pieces are magnetic, so they'll stay in place.  
**Remember: All seven pieces are used in each puzzle.**

### Hints:

- Make sure you place the playing pieces with the magnet side down.
- Try playing a memory game! After you solve Level 1, flip the card over to Level 2 and try to remember where all the pieces go.
- You may discover more than one solution to a puzzle.
- Look for additional Puzzle Packs for more Tangoes Jr. challenges!
