

BrainBox®

Rules!

For 1 player

1. Look at the picture side of the card for ten seconds.
2. Turn the card over and answer all of the questions.
3. If all are answered correctly, keep the card. See how many cards you have after ten minutes of play.

For 2 or more players

1. If you are the youngest player, take a card from the BrainBox and turn the timer over. Study the picture side of the card until the ten-second timer runs out.
2. Pass the card to another player and roll the die. You will be asked the numbered question that matches your die roll.
3. The other player reads the question and your answer is checked by looking at the front of the card.
4. If correct, you keep the card. If incorrect, return the card to the BrainBox and the next player chooses a card.
5. The player with the most cards after ten minutes wins!
